We cover all areas of Central London (City London), East Central & West Central London, City of London and Westminster, West End London (West), Northwest London, East London, North London, Enfield, Southwest London, Southeast London, Bromley & Kent, Croydon, Richmond & Twickenham, Uxbridge, Essex and all surrounding areas.

Your reliable corgi gas registered engineer

As our corgi registered gas engineer have been recommended and trained so that they can deal with all gas combi boilers, oil condensing boilers, gas condensing boilers, vaillant condensing boilers. We normally send our corgi registered engineers to do gas engineer training every so often. This is what makes us different to other engineers from other companies as we know once they all have been through the training they will become more confident and they can deal with difficult situations of complicated jobs. They have been doing long enough to

know how to how to install a radiator and how to repair, maintenance, and install central heating, gas condensing boilers, baxi heating, vaillant combi boilers. When we do the service on gas boilers we service them and checked properly

When doing central heating installations we will have a team of central heating contractors who know what system is the best for the customer as it will depend on the type of the properties as some will need bosch combi boiler some are suitable for combi boiler installation and some will be more suitable fore condensing combination boilers
