We are trusted

Finding a trustworthy electrical company who is fully skilled and registered is not easy. Especially, in a capital city like London! You may be one of people who has had experienced very big let down by some electricians. At Advanced Professional Electrical Services you won't experience this and you will always be kept happy with the services we provide

Are you looking for the most professional & reliable local electricians in London ? If you are, Advanced Professional Electrical Services is your best choice we have local electrician, local electrical contractor who can help you with all emergency and non emergency electrical services all over London and surrounding areas 24 hours.

Our NICEIC emergency electricians who deal with all home electrical repair and installation as well as construction electrical services (commercial and domestic electricians)

They are specialised in all issues along side with emergency electrical response for any electrical service you may need for example :

Electric oven repair – Some people may just call an electrician to fix their oven. Some may call a gas safe (corgi engineer) to have a look at your oven. Can we deal with it? Yes, we can deal with it. When we attend side we will be able to see if there is any problem with electric side (wiring fault or so). If it's the case we can just send an electrician to you and deal with whatever needed to be done. If it's not our gas safe (corgi) can also sort it out for you no problems.

Apart from that our electricians can also deal with electrical issue on oven stoves, commercial electric oven, electric cooker, electric light switch, electric shower repair, electric power shower. They have high skills, knowledge to repair electric on any appliance make such as thermostatic electric shower, Triton electric showers, Mira shower pumps, Mira shower valves, triton shower

mixer, Qualisa and so on
