London Family Run GAS SAFE (CORGI) Heating Engineers

As our corgi registered gas engineer have been recommended and trained properly so, they can deal with all gas combi boilers, oil condensing boilers, gas condensing boilers, vaillant condensing boilers. We normally send our corgi registered engineers to do gas engineer training every so often. This is what makes us different to other engineers from other companies as we know once they all have been through the training they will become more confident and they can deal with difficult situations of complicated jobs. They have been doing long enough to know how to how to install a radiator and how to repair, maintenance, and install central heating, gas condensing boilers, baxi heating, vaillant combi boilers. When we do the service on gas boilers we service them and checked properly
